

What is Little Heroes of Inclusion about?

Children play an essential role in creating inclusive preschool environments, and by extension, an inclusive Singapore. The Good Start SG movement aims to raise children who are exemplars to others (both children and adults alike), hence the Little Heroes of Inclusion campaign.

The Award

As part of the campaign, we invite preschools in Singapore to nominate **children who have been exemplars of inclusive practices**. This is an annual effort to recognise and encourage them. Awards will be given out during the annual Good Start Conference. Through the award, we hope that they will **inspire others to learn, play, contribute and participate meaningfully** alongside their typically developing peers in the classroom and the community.
